

25 Years of
Serving The Community

Dinner Journal
Sunday June 26, 2016

ב' סיון תשע"ו

A Salute to the Lubavitcher Rebbe

When you encouraged Jewish men to begin putting on Tefilin
40 years ago, many stood by and snickered.

Today, thanks to your foresight, millions of men put on Tefilin daily,
millions of candles brighten Shabbat tables,
millions of pennies have filled millions of charity boxes
and millions of Jewish homes have been touched.

Where others have made committees, waited for grants to be
approved, set up sub-committees, decided that due to lack of funding
a program would have to be aborted, and build wonderful edifices
with skyscraping offices,

You and your emissaries have demonstrated that to reach a Jew
one need only have the willingness, determination,
and a real understanding of what Ahavat Yisreel means.

On behalf of the millions of neshamot that you have kindled,
we humbly say thank you.

Founded in 1990 with the guidance and blessing of the Lubavitcher Rebbe, Chabad of Great Neck is nurtured and supported by concerned members of the Great Neck and Long Island communities.

Chabad is dedicated to strengthening our Judaic faith, principles, identity, commitment and pride. The Chabad House is a unique and vibrant center, providing a home away from home for any man, woman or youngster who walks through its doors. Its rabbis & rebbetzins, staff and volunteers are pioneers in the most literal sense, treading a path and showing the way to bring the light of Torah and Jewish tradition to all Jews. Acceptance of every Jew on his or her own level, regardless of level of religious commitment or practice, has become a trademark of Chabad. By blending Jewish values with modern day techniques, Chabad has been successful in reaching even the most alienated, helping them appreciate their roots, and identify with their Judaism with pride. Thanks to G-d's infinite blessings, and the generous support and involvement of members of the community, Chabad of Great Neck has grown rapidly during these twenty five years. We need your help to continue our important work of building Jewish education, solidarity and pride for future generations of the Jewish people. Become our partner in these special Mitzvot, and in years to come, you will stand proud in the knowledge that you have done your share.

Established in 1998 with the support of Raine & Stanley Silverstein, the Jewish day school provides children with a strong general and Judaic academics foundation.

Established in 1992 with the support of Jack Cohen, the school provides children who attend public school with a love of Torah & Judaism.

Established in 2009, 6-week courses taught by director Rabbi Yoseph Geisinsky are given about intriguing topics that will teach you things you never even knew you didn't know.

Rashel and Amir Bokhour

Amir Bokhour was born in Tehran Iran in 1924 to Sonobar and Moussa Z"L. He attended various schools with different denominations through the 9th grade after which he entered the business world. He later established a gift importing company with his brothers. He attributes his success to family unity and the support and backing of his loving wife.

Rashel Moheban Bokhour was born 1937 in Tehran Iran to Meir and Sara Moheban Z"L. After losing her father at the tender age of seven, in 1951 her family moved to Israel, just a few short years after Israel's creation. There she continued her education and served in the Israeli army for two years under the highest-ranking woman, Leah Natzer Z"L who was referred to as "the mother of all the soldiers". In the army Rashel worked as a social worker taking care of the wounded and sick while trying to make their lives a bit better.

When she was twenty, while visiting her sister in Tehran, she met her husband Amir at a synagogue. They married in 1957 in a fairytale setting. Together they raised a beautiful family of one son and three daughters and established a wonderful life together.

In 1979, in the mist of the Iranian revolution they fled to the United States. They left the comforts of life and all that they knew behind and established a new life in New York. Amir reestablished his business with his brothers and worked hard in the real estate. Together with his wife they became involved in the Jewish community and supported various charitable causes. They recognized the need of the underprivileged and continuously supported their cause through UJA and various organizations

Being an avid believer of education and a supporter of Israel, in 1990 Amir, along with a few of his caring friends, founded the Macabee organization which grants money to Iranian students in Israel in pursuit of higher education. He is also one of the original founding fathers of the Iranian American Jewish Federation which has made numerous contributions in support of the Israeli Army and many Israeli causes. He has a great love for Israel and Zionism and as he always says, "Without Zionism, Judaism will not survive!"

He is well informed and well read of world religion and politics. He carries a special love of Persian poetry and will recite many famous poems by heart. He continues his philanthropically pursuits and enjoys his family traditions and gatherings.

In 1985 Rashel, along with a few of her lady friends, started one of the first Iranian Hadassah chapters in Great Neck, the Ester Chapter. She served two consecutive terms as president at which time the Ester chapter was one of the most profitable chapters, bringing in the most donations to Hadassah. In the past thirty years she has worked for Hadassah in different capacities as treasurer, fundraiser organizer, and in the advisory board. She also helps with the publication of the Persian Hadassah Magazine as editor and translator. She has been recognized and honored on various occasions by the Hadassah organization. She volunteered for nineteen years at North Shore University hospital as a breast cancer screener. She is a talented painter with many beautiful paintings of landscapes and sceneries.

Amir and Rashel have set a great example for their sixteen grand children and two great grand children. Together this couple has established a beautiful family and has given back to their community and the land of Israel.

Your role in our family is to keep us together, happy, while encouraging us
– and supporting us – to pursue our hopes and dreams.
We couldn't imagine life without you as our centerpiece.*

As a Mayor and Community Developer,

*you have made such amazing progress in such a short amount of time.
No project scope is too large for you to conquer, and that includes this
beautiful Chabad Center! We are confident that many generations
will reap the benefits of your hard work and dedication,
both in the Village of Saddle Rock and the Greater-Great Neck area.*

As a Doctor,

practice for three decades.
We have seen thousands of happy patients visit your home practice and
we admire your ability to master such a diverse set of fields.*

As it pertains to the Chabad Center Project,

We truly don't think that would have been possible without you.
